IT NATION Evolve™

Peer Groups by

CONNECTWISE®

2025

IT Nation Evolve is an annual membership program designed to help leaders navigate their business journey through peer group interactions. Our members are among the highest in growth and have the largest profitability percentages in the industry. With different peer groups designed to fit their schedule and meet their business needs, we are here to help them succeed in their personal and professional life.

Quotes from current Solution Partners

Lori Berry  
MSP CFO

"Evolve brings together MSPs committed to improving their businesses. The results show that being part of Evolve leads to stronger MSPs, thanks to its effective four plans. The Go-Giver mentality means MSPs pour into one another, helping each other reach their goals. What I love about Evolve is how MSPs and Solution Partners work together as a community. MSPs offer us valuable feedback to help us grow, just as we support their success."

Becky Teal  
Huntress

"The Evolve community is the absolute best way to engage with the most mature MSPs in the industry. The members are laser focused on growing successful businesses and are engaged with their trusted vendors in true partnerships. The format allows for in-depth conversations that provide constructive feedback, allowing us to make our offerings better for the entire MSP community. I would recommend the Evolve community to any MSP looking to mature their business, and to any vendor looking to engage with the top MSPs in the channel."

PROGRAM	COMPANY SIZE (ANNUAL REVENUE)	MEMBER ROLE	WHY MEMBERS JOIN (PAIN POINTS)
<b>Evolve 2/3 Owners</b>	\$1M-\$100M+	Owner, Executive, Managing Director, General Manager	<ul style="list-style-type: none"> <li>• Leadership isolation – looking for accountability and community</li> <li>• Unaware of industry best-in-class metrics – want to know “what good looks like”</li> <li>• Need guidance to solve problems, grow, and lead</li> <li>• Most-requested topics: Sales, marketing, AI, Leadership, Developing Leaders, M&amp;A</li> </ul>
